

# Halt the Hun

Provide the boys with the things they need to make short work of him.

Help the boys get guns, clothes, aircraft, food, munitions and the ships to get over with. These are the things they need, and they cost money—hunks of it.

## June 28th National War Savings Day

Make a pledge to buy War Savings Stamps

The more quickly our soldiers have all the things they need, the more quickly the ships will be bringing them victoriously back to us.

### ITALY'S FINANCIAL CONDITION EXCELLENT.

Rome, June 22.—Italy's financial situation is excellent as shown by figures just now given out, even though the Italian Treasury has not received the revenues from the provinces of Bulluno, Treviso, Udine, Veneto or Vincenza.

The total receipts from the income tax for 1917-1918 amount to 339,000,000 liras. That is 20,000,000 liras more than the estimate and 9,000,000 liras more than in the preceding year.

The super-profit tax on war industries will yield 442,000,000 liras, or 92,000,000 liras more than estimates.

The real estate tax, owing to lack of returns from the invaded provinces, will be increased by 300,000 only. The land tax will yield an increase of 2,000,000,000 over the previous war revenues. The government policy is to prevent war expenses from overburdening the poorer classes.

### MAKE CANAL ZONE DRY.

Complete Prohibition has been ordered for the Panama Canal Zone. By government order all liquors are barred, the order forbidding the possession of liquors specifies that no liquor shall be used and that it shall not even be transported across the canal zone.

## PETITION TO CHANGE BOUNDARY OF PRE- CINCT NUMBER 23

In the matter of changing the boundary line, between Bainbridge voting precinct, No. 23, and east schoolhouse voting precinct, No. 22.

This cause coming on for hearing, upon the petition of W. J. Ladd and others, asking that a change be made in the boundary line of Bainbridge voting precinct No. 23, and East Schoolhouse voting precinct, No. 22; and it appearing to the Court that due notice has been given of said proposed change, and it further appearing to the Court that it will be more convenient for the voters residing in the territory affected by the change to vote in said East Schoolhouse voting precinct; and it further appearing that it is for the public good to make said change, it is therefore ordered that said boundary line between the aforesaid precincts, be changed as follows:

Beginning at a point in the Bark Road, where the road leading from Hiser's store to the Bark road intersects said Bark road, running thence in a straight line in a north-easterly direction with the lane, passing on the east side of Otho Marquess's house, to the forks of Sand Lick Creek with its meanders to the point where said intersects the boundary line between Bainbridge voting precinct and Lantrip's voting precinct, instead of following the Bark road from the point of intersection with the road leading from Hiser's store to said Bark road to the Buttermilk road; thence down the Buttermilk road to where said road intersects the south boundary line of Lantrip's voting precinct.

And it is ordered by the Court that the voters affected by said change, to-wit: W. J. Ladd, Albert Clark, A. J. Clark, T. J. Hamilton, H. M. Petch and others residing in the territory, between the new line and the old, be, and they are hereby transferred to East Schoolhouse voting precinct No. 22, and will vote therein at the next coming election, and at all elections thereafter. **PASTE the KAISER**  
WITH  
**W. S. S.**  
ON June 28<sup>th</sup>

Paste him in the eye with a War Savings Stamp—then paste him again and again. Don't think that you have already done your duty. Pershing's men "over there" don't go home after their first battle—they go after the Huns again—they keep on pasting the Kaiser.

Your government has officially set Friday, June 28th as

## National War Savings Day

On that day every American is asked to "sign the pledge"—to invest in a definite amount of War Savings Stamps each month. Every real American will prove his patriotism by agreeing to regularly paste the Kaiser.

W. S. S. cost \$4.17 in June

Worth \$5.00 on Jan. 1, 1923

Be ready to "sign the pledge" on June 28.
